APPM1006A	Computational and Applied Mathematics I	B	Full Year-2018

Should there be any inaccuracies contained in this letter, please contact the Faculty Office as soon as possible.

You are reminded that if you wish to withdraw from a course and if you are permitted by your faculty, you must complete the appropriate form that is available from the Faculty Office. Please consult the Fees Booklet regarding cancellation deadlines. You are also reminded to notify the Faculty Office in writing of any changes of address and, in addition, you are requested to check carefully that your name **Philani Mpofu** is correct. This name must conform with that printed on your birth/marriage certificate as, unless you are registered as an occasional student, it is the name that will be printed on your graduation certificate.

If you have not already obtained your student card for this year, please do so as soon as possible. You must take this letter with you as proof of your registration.

Please note that you have been assigned a Wits student email account. This will become the formal channel of electronic communication between yourself and the University. Please access your student e-mail account on a regular basis to receive important communication from the University .

I wish you every success in your studies at Wits.

Yours sincerely

A handwritten signature in black ink, appearing to read 'René Vosloo', written on a light green rectangular background.

Ms René Vosloo
